Live an Enlightened Life!

Annette Transforms Inner and Outer Energy Fields

As a *Soul Guide* she assists others in releasing patterns, programs and karma from past lives, helps heal trauma and retrieves soul pieces. She is also an *Environmental Healer* and *Master Dowser* whose passion is to clear negative vibrations from buildings and land in order to create enlightened spaces for others to live and work.

After years of preparation and study with Marie Diamond, she holds the position of *Master Inner Diamond Meditation* and *Master Diamond Dowser*, teaching and mentoring in more than 20 countries around the globe.

Annette's greatest passion is to help others navigate the world of energy and energy healing. Employing a deep understanding of vibrational healing and universal messaging, she has the ability and the tools necessary to transform both personal energy fields and environments.

"Annette is a very inspirational presenter who speaks from her heart and shares her insights with grace, ease and calm."

- Jill Goux, Joyful Living Studios

"Annette's stories and information were shared in an easy and understandable way. And, her presence and energy - oh so lovely!"

- A.J., Minneapolis, MN

Notable Author

As a *Soul Whisperer*, her passion for guiding souls to return home is detailed in her book, **Soul Whisperer: Releasing Lost Souls**.

"In this latest work, the author tells of her various adventures in the realm of spirituality and the paranormal, involving such phenomena as ghosts, past lives, and clairvoyance. Overall, a soothing tone of gentleness runs through the entire work, as when she notes that 'Helping our spirit brothers and sisters go home is the best choice when given the opportunity. Fans of spiritualist writing will be both intrigued and comforted.'"
